General Information:

- This is NOT a course to teach you HOW to use your gun. This is a legal class! This is also the course to TEST that you already know how to use a gun. You should already be familiar with your gun before attending this course!
- You are not registered for a class until we receive payment AND your registration is confirmed by registration receipt.
- Bring lunch, snacks, bottled water, etc.
- The training academy is approximately 20 miles south of LSUS on Hwy One.
- Arrive for class early! There's paperwork to take care of.
- Bring lunch and bottled water. The class is all day.
- Leave gun and ammo locked in your car until instructed to get them.
- No open-toe shoes or sandals allowed on the shooting range; must wear long pants (no shorts).
- A cap is recommended while shooting.
- After our course is over, you must send the documents we give you to the State Police. The State Police will charge you \$125 for a 5-year permit (\$62.50 if you're 65 or older). They offer a lifetime permit for \$500 (\$250 for those 65 or older).

Call 681-0875 if you have to cancel. There are other people waiting for spots that become available. If you don't show up, you forfeit your payment.
