

Health and Safety Fair • Touch-A-Truck • Bike Rodeo

During the health and safety fair families will be able to learn about water safety, healthy food choices, study skills, internet safety, dental care, and pet care. The Touch-A-Truck will give kids the chance to see a police car, ambulance, fire truck, motorcycle, and a helicopter up close. Throughout the day Safety Town Deputies will be having bike rodeos where children will learn about bicycle safety. There will also be an opportunity to give blood through LifeShare. The Shots for Tots Bus will also be onsite to make sure that children are up to date on their vaccines.
