

Shreveport man on the run after detectives obtain warrant for his arrest

Monday, March 3, 2014

Caddo sheriff's deputies are searching for a Shreveport man wanted on numerous charges involving illegal behavior with a juvenile.

Detective Jared Marshall obtained a warrant today for the arrest of Trent Lee Morgan, 20, of the 9400 block of Pitch Pine Drive. The warrant charges Morgan with indecent behavior with a juvenile, felony carnal knowledge of a juvenile, and pornography involving a juvenile.

Morgan is accused of sending nude images of himself to a 15-year-old girl and receiving nude images of her on his cell phone. He's also accused of having an illegal sexual relationship with the girl.

He was arrested on similar charges involving a different juvenile girl in February.

Morgan was expected to turn himself in to authorities today, but he failed to show up. The Sheriff's Office is asking anyone who has information about his location to contact CPSO at 675-2170.
