A 16-year-old teen who took Caddo deputies on a pursuit into east Texas pleaded guilty to related charges Monday in Caddo Juvenile Court.

The teen pleaded guilty to one count of aggravated flight and three counts of criminal property damage. He was remanded to jail until his 21st birthday.

Earlier this month, the teen fled from deputies who tried to stop his vehicle on an order to take into custody on a charge of attempted murder of a police officer. During the pursuit, he hit four sheriff's patrol cars. He was finally apprehended in Harrison County after driving 43 miles to avoid arrest.

He still faces other charges regarding the attempted murder of a police officer.
