

CPSO seeks suspects in felony property crimes case

Wednesday, April 1, 2015

The Caddo Sheriff's Office is asking for the public's help to identify the suspects in a felony property crimes case, said Caddo Sheriff Steve Prator.

Just after 10 p.m. this past Friday, March 27, two suspects squeezed through a fence at SI Precast in the 8600 block of Box Road. The suspects took two of the company's work trucks (valued at \$70,000 each) and ran through the security gate to leave the property. They returned the trucks four hours later, but didn't immediately flee the scene. They smashed a window to gain entry to the office building. Inside they broke into a vending machine and stole candy.

One of the trucks is a 2004 International and is pictured in this release. The other is 2013 Freightliner. Both are blue and white.

Attached are photographs of two individuals who could have information about this case. If you can identify these individuals or saw anyone driving these vehicles this past weekend please contact Caddo Sheriff's Detective Donnie Laney at 675-2170 or Crime Stoppers at 673-7373.
