Caddo Sheriff's deputies are working a fatality crash that occurred in the 4500 block of George Road, said Sheriff Steve Prator.

A 2010 Ford Fusion driven by Kathleen Dianne Harville, 22, was discovered by a passer-by around 8 a.m. today. Deputies said the crash most likely occurred overnight.

Sheriff's Cpl. Jack Anderson with the CPSO Traffic Safety Unit said it appeared that Harville was traveling east when she left the roadway in a curve and hit a storage building. She was not wearing a seatbelt.
