Caddo flood update

Tuesday, March 15, 2016

Caddo Flood Update for Tuesday, March 15, 2016.

- Twelve Mile Bayou is expected to crest today or tonight. Caddo Lake should crest today. Red River crested today. Cross Lake and Wallace Lake are continuing to slowly fall.
- Citizens can begin the recovery process with FEMA by registering in advance either at the FEMA website, www.disasterassistance.gov, or by phone at 1-800-621-3362.
- Continue to report damages in Caddo Parish to the Caddo Office of Homeland Security and Emergency Preparedness at 675-2255 or reportdamages@caddosheriff.org. So far over 422 addresses have been registered.
- To access available services and resources or to volunteer visit www.lincc.us. The Louisiana Initiative for Non-profit and Community Collaboration is a project of the Community Foundation of North Louisiana. Citizens impacted by flooding can use the website to locate food pantries, clothing, baby items, showers, laundry, and help with clean up.
- Assisted sandbag distribution will cease at the Parish Public Works 1701 Monty Street facility at 3:30 p.m. today. Bag will be available on a self-serve basis after 3:30 p.m.
