The Caddo Parish Sheriff's Office is continuing its search for a missing child.

Elizabeth Recandis Williams left her Belcher home on June 13 and is now thought to be in the area of Lakeside/Booker T. Washington High School. Detectives say she could also be in the Texarkana area. No foul play is suspected.

Williams could be traveling in a white Chrysler 300 or a late 90s model white Lincoln Town Car.

She is a 16-year-old black female, 5'1, 125 pounds, with brown eyes and dark hair.

Anyone with information on her location is asked to contact Caddo Detective Jared Marshall at 675-2170.
