Update: Suspect was arrested tonight by the U.S. Marshal's Task Force in Sacramento, California, and the Fairfield, California, Police Department's Narcotics Unit. He was riding in a vehicle in Fairfield at the time of his arrest. He is currently being booked into the Solano County Jail as a fugitive on the Caddo Sheriff's Office warrant.

Caddo Sheriff's detectives have obtained a warrant for the arrest of a man who posted messages to his Facebook account threatening the safety of Caddo Sheriff Steve Prator.

An arrest warrant obtained today by Detective Matt Purgerson through Caddo District Attorney James Stewart's office charges Michael Dewayne Evans, 25, with terrorizing. Caddo District Judge John Mosely affixed a $10 million bond on the warrant.

In a post made July 20, Evans, who uses the name "Michael Undefined Breed Evans" on Facebook, said: "F*** CCC Steve Prater need to be Tha top one when tha next list drop Flat line Tha ones who really need adjusting !!!We don't need them B***s on our street say wit me!!! F*** THA POLICE."

"Anytime you threaten someone in law enforcement it will be taken very seriously by everyone in the judicial system," Prator said. "Conduct like this won't be taken lightly or tolerated especially in light of what we are seeing across the nation against our law enforcement officers."

No specific address is known for Evans, however, he has ties to the Martin Luther King Jr. Road area in Shreveport. He has numerous felony arrests, including Aggravated Assault with a Firearm, and should be considered armed and dangerous.

Anyone with information about Evans location is urged to contact the Caddo Sheriff's Office at 675-2170 or Caddo-Shreveport Crime Stoppers at 673-7373.
