Caddo Sheriff opens rifle range to the public

Friday, September 9, 2016

Caddo Sheriff Steve Prator is making the rifle range at the Caddo Sheriff's Regional Training Academy available to the public for sighting in rifles for the upcoming deer season.

Four Saturdays have been designated for the public to make use of the facility: September 24 and Oct. 1, 8, and 15.

Targets will be furnished and shooters will be assisted by state-certified firearms instructors. Participants are asked to call ahead and reserve a time to work with instructors. Shooters must provide their own ammunition, eye and ear protection, and should arrive with weapons unloaded.

The Academy is located at 15639 Highway One South, directly in front of Lock and Dam #5. To register, call the Caddo Sheriff’s Office Community Programs Division at 681-0875.
