CPSO seeking information on missing teens

Thursday, April 27, 2017

Caddo Sheriff's detectives are seeking information on three teen-agers reported as runaways.

Taylor Capili, 16, left his residence in the 6000 block of Yukon Drive in Shreveport on April 25. His sister, Malia Hogan, 13, also left home on the same day but was seen later that evening traveling in a vehicle with an unknown person. Neither has been seen since, and it's not known whether the siblings are together.

In a separate case, 16-year-old Jailyn Pouncy was discovered missing from a foster home on Laurie Lane in Keithville on April 19. She was gone when her guardians awoke that morning.

Authorities have no information on the whereabouts of any of the three juveniles. Anyone with information is asked to contact Det. Jared Marshall at the Caddo Parish Sheriff's Office at 675-2170.
