# Caddo K-9 team recovers drug stash

Wednesday, January 14, 2009
Caddo Sheriff's K-9 deputies recovered 62 pounds of marijuana Tuesday night during a traffic stop on Interstate 20.

At approximately 10 p.m., Deputy Gary Bailey stopped an eastbound vehicle at mile marker 4 after the driver committed a traffic violation. The driver, Brian White, then agreed for Bailey to search his vehicle. Bailey's K-9, Rudy, alerted on the trunk of the vehicle. Bailey found three garage bags containing the marijuana inside the trunk.

White, 27, of Arlington, Texas, was booked into Caddo Correctional Center for possession of marijuana over 60 pounds.
