# Caddo student arrested for terrorizing

Monday, February 4, 2019

A Caddo Parish student was arrested for terrorizing on Sunday after he made threats to commit a shooting at school, said Sheriff Steve Prator.

The 15-year-old student at North Caddo Magnet High School made the threats along with threats to shoot a fellow student following a dispute between the two. The threats were made in a private message on social media.

After an investigation, the student was arrested by the school resource officer, Sheriff's Cpl. Tony Dickey, and booked into the Caddo Parish Juvenile Detention Center.
