

Under Age Sales Arrests

Monday, April 20, 2009

Caddo Sheriff Steve Prator and Shreveport Police Chief Henry Whitehorn announced that the Caddo-Shreveport Narcotics/Vice Unit and the Caddo Sheriff's Juvenile Services Division conducted an underage alcohol sale operation to reduce the sales of alcohol to minors in Shreveport and Caddo Parish.

Agents and deputies made numerous undercover purchases of alcohol throughout Shreveport and Caddo Parish on Saturday, April 18. After confidential informants made purchases of alcohol, agents immediately went into the businesses and cited the individuals who sold alcohol to the confidential informants.

The operation was extremely successful, netting 28 misdemeanor arrests for underage alcohol sales. Six of the 28 received additional charges for not having an ABO card. Below is a list of the businesses that did not sell and the businesses that did sell, along with the subjects cited.
