Man arrested for stealing store deposit

Wednesday, May 27, 2020

A Shreveport man was arrested for stealing a store bank deposit, said Sheriff Steve Prator.

On April 20, the manager of Family Dollar on Hearne Avenue made a drop deposit at a local bank. Video surveillance from the bank confirmed that another man drove up to the deposit box about an hour later and stole the deposit. The man was identified as Oscar Jefferson, 35, of the 9700 block of Neely Circle in Shreveport.

Jefferson was arrested Tuesday by Sheriff's Det. Jeremy Edward and booked into Caddo Correctional Center for felony theft. He was released later on $10,000 bond.
