

Caddo Sheriff's Office to hold safety checkpoint

Wednesday, March 31, 2021

The Caddo Parish Sheriff's Office will hold a safety checkpoint from 10 p.m. until 2 a.m. Friday, April 2, in north Caddo Parish.

The checkpoint is intended to make parish roads safer and reduce traffic deaths and injuries by identifying alcohol and drug impaired drivers, seatbelt violators, and other traffic offenders.

Funding for the checkpoint is provided through a grant from the Louisiana Highway Safety Commission.
