LA-3132 has reopened after closing due to a fatal crash just before 2 p.m. this afternoon.

At approximately 1:40 pm, a call came in about a white pick-up truck that had turned over. Caddo Sheriff's deputies later discovered the driver of the truck had died from the crash.

LA-3132 was shutdown on both directions between E. Flournoy Lucas Rd. and E. Bert Kouns Industrial Loop for several hours during the response.
