

Keithville woman arrested for battery

Sunday, November 21, 2021

A Keithville woman was arrested after an infant in her care was found to be under the influence of methamphetamines, said Caddo Sheriff Steve Prator.

The child was taken to a local hospital by a concerned family member in late October where medical staff confirmed the presence of amphetamines in the child's system.

Sheriff's Det. Ray Saunders investigated the case and obtained a warrant for Tiffany Dawn Wilson, 24, of the 9700 block of Esthlyn Street, charging her with aggravated battery. Wilson turned herself in at Caddo Correctional Center on November 18.
