Shreveport man arrested for child porn

Wednesday, February 16, 2022

Caddo Parish Sheriff's detectives arrested a Shreveport man after they discovered multiple files of child pornography in his possession, said Sheriff Steve Prator.

On Wednesday, Det. Jared Marshall arrested Alan Horn, 67, and charged him with six counts of pornography involving juveniles.

The case originated from a cyber tip sent by Microsoft to the National Center for Missing and Exploited Children in late 2021. With help from the Louisiana Bureau of Investigations (LBI), pornographic images involving children, that were uploaded to the Bing search engine, were traced to Horn's computer located in his home in the 7700 block of Mary Ann Circle in Shreveport.

LBI referred the case to CPSO Det. Marshall who is a member of the Internet Crimes Against Children's Task Force. On Feb. 16, detectives searched Horn's home and confiscated his hard drives, discs and electronic devices.

Horn was booked into Caddo Correctional Center. Meanwhile, the investigation continues.
