Major crash on I-20E

Friday, May 27, 2022

UPDATE: Traffic is back to normal.

Traffic is at a standstill on I-20E due to a major crash between exit 3 and 5. Greenwood Police Department is the lead agency working on that crash.

Drivers are being diverted onto exit 3 close to where CPSO deputies are investigating an earlier crash that happened on Hwy.80. Drivers are asked avoid the area if possible.
