CPSO to host 4th Annual Steel Challenge Reindeer Games

Friday, November 18, 2022

The Caddo Parish Sheriff's Office will be hosting the 4th Annual Steel Challenge Reindeer Games on Dec. 3, 2022 at the CPSO Regional Training Academy located at 15639 Hwy.1 South in Shreveport.

This year's fundraiser will benefit the Providence House in Shreveport, a non-profit that offers housing, services, and courses to help people who are homeless.

Everyone of all ages and skill level are welcome to participate in the Reindeer Games. There will be four stages. Participants will be scored on time and hits. Participants will be limited to .45 ACP caliber handguns. The match is limited to 60 guns with a minimum of 100 rounds needed.

Award categories include "novice youth" (for those ages 12 to 15), "novice male adult," "novice female," and "best overall individual shooter." Awards will only be given for handgun scores (except for youth), but participants are welcome to shoot pistol caliber carbines or rimfires.

The registration fee is $22 per gun with a limit of 2 guns per participant. To register, visit PractiScore.com. Once on the home page, click "Upcoming Matches," and search for "Caddo Sheriff's Reindeer Games." Participants must log-in or create an account to sign-up.

Those who do not wish to shoot on Dec. 3 can still help by purchasing a Caddo Sheriff's Reindeer Games t-shirt. To order, email Philip.Deaton@CaddoSheriff.org or call (318) 681-0735.
