

Caddo School Resource Officer Thwarts a Potential School Shooting

Thursday, March 30, 2023

Caddo Parish Sheriff's Office Detectives have arrested a 19-year-old student for threatening to kill a coach at a Caddo Parish School.

Detectives say the incident started in the school's gym when Caleb Steven Morris, 19, and his coach got into a verbal altercation after Morris was asked to stop vaping at school. Morris is then said to have told the coach that "I am going to kill you," as he left the gym. The teacher is said to have radioed the SRO about the incident.

Caddo Sheriff's SRO Calvin Williams spotted the student in the parking lot trying to reenter the school, stopped and searched him, and found the fully loaded weapon in his backpack. The weapon recovered was a Glock 43X 9mm. Morris was arrested and brought to the Caddo parish Detectives Office for questioning.

Detectives say during their investigation, Morris admitted to threatening to kill the coach. Morris was arrested and booked into the Caddo Correctional Center and charged with one count of Terrorizing, one count of Aggravated Assault with a Dangerous Weapon, and Possession of a Weapon in a Gun Free Zone.

"I am extremely proud of the quick and decisive action Deputy Williams took," said Sheriff Prator. "I truly believe that he saved both faculty and possibly students from death or serious bodily harm today."

Caddo Sheriff's detectives are continuing their investigation into this incident. No bond has been set in this case.
