Monday, April 24, 2023

Late last night Caddo Sheriff's deputies were dispatched to the north end of the parish on a call of a person found unconscious, hanging halfway out of a boat.

Just before 10 p.m. deputies found a 69-year-old male halfway out of his boat and face down in the water in the 10000 block of Hart McFarland Road on the shore of Caddo Lake.

Deputies say the man's brother found him hanging out of the boat. The man told deputies after his brother did not return from fishing, he went looking for him and that is how he found him.

After a careful investigation, Caddo Sheriff's CSI Detectives determnined there was no foul play in this incident.
