Boil advisory for certain parts of Caddo Parish

Sunday, June 18, 2023

Caddo Parish authorities continue to gather information during recovery efforts from the storm. Some may have read that all of Caddo Parish is under a boil advisory. That is not the case, but the following water systems in Caddo Parish are under advisory:

- Deepwoods Water System – population 657.
- Bella Vista Water System – population 330.
- Blanchard Water System – population 15,180.
