Caddo Sheriff's detectives have arrested a Shreveport man for the sexual assault of a juvenile and improper behavior with another, said Sheriff Jay Long.

On February 29, Detective Christopher Ardoin arrested Dustin Metcalf, 30, after allegations against him were reported to the Sheriff's Office. A forensic interview was conducted with the first victim after which Metcalf was charged with first-degree rape.

Further investigation identified a second juvenile victim. Metcalf was charged with indecent behavior with a juvenile in that case.

He was booked into Caddo Correctional Center.
