Caddo Parish Sheriff Office Automated External Defibrillator Program

Saturday, December 7, 2024
Posted by Breck Scott

The Caddo Parish Sheriff's Office has partnered with Cardiac Solutions and Stryker to equip our patrol deputies and School Resource Officers (SROs) with Automated External Defibrillators (AEDs). Our deputies often serve as first responders in situations requiring medical assistance, where an AED can be crucial in lifesaving efforts. By equipping and training deputies in using AEDs, we are providing them with essential tools that meet the needs of our citizens of Caddo Parish. On December 6, Caddo Sheriff's Office personnel met with Cardiac Solutions and Stryker representatives to present the new AED devices.
