The Caddo Parish Sheriff's Office, under the leadership of Sheriff Henry Whitehorn, Sr., is excited to announce the launch of the Explorer POST Program. This initiative will offer Caddo students an opportunity to explore career pathways in law enforcement and develop essential skills for their future.

A formal Memorandum of Understanding between the CPSO and the Norwela Council of Scouting America will be signed during a media event at 2:30 p.m. on Monday, January 13, in the Media Room on the 7th floor of Government Plaza (505 Travis St.).

The Explorer POST Program is designed for youth aged 13 to 18 and will serve as a hands-on educational platform that combines career exploration with leadership development. This initiative underscores CPSO's commitment to fostering community engagement and equipping the next generation with the tools they need to succeed.
