Owners sought for stray livestock

Monday, November 23, 2009
The Caddo Sheriff's Office has recovered two more stray animals and is hoping their owners will claim them.

A small donkey was located on Scout Drive near Keithville on Nov. 18, and a horse was found Nov. 16 on Lase Street in Shreveport.

The animals are being held temporarily by the Sheriff's Office until the owners can be located. If the owners aren't found in the next few weeks, the animals will be sold.

For more information, contact the Sheriff's Office Stock Patrol at 681-1120.
