Due to the winter weather expected over the weekend and into next week, visitation at the Caddo Correctional Center will be closed on Monday, January 26, and Tuesday, January 27.

While on-site video visitation will not be available during this time, visitors can still participate in remote visits. More information about remote visits can be found on the Sheriff's Office website at [www.caddosheriff.org](http://www.caddosheriff.org) under the "Visitation Schedule and Information" section.

Visitation is scheduled to resume on Wednesday, January 28.
