

****UPDATE**** Road Closure on Buncombe Road

Monday, January 26, 2026

Posted by Breck Scott

There is a complete road closure on Buncombe Road, just west of Louisiana Highway 169. This closure has occurred due to a 18-wheelers that have jackknifed, blocking both the eastbound and westbound lanes. Please plan accordingly and anticipate longer travel times if you need to use this route. The duration of the closure is currently unknown, but we will provide an update as soon as both lanes are reopened.

UPDATE

All Westbound and Eastbound lanes on Buncombe Road are back open.
