The Caddo Sheriff's Office is partnering with LifeShare Blood Center to host a blood drive on Monday, April 6, as part of the "Step Up & Save Lives" event. Mobile donor coaches will be available at 1101 Forum Drive, Shreveport, from 9 a.m. to 11 a.m.

To donate, individuals must be at least 16 years old and present a photo ID. Donors who are 16 years old must also provide signed permission from a parent or guardian.

We aim to have at least 18 heroes donate during this drive.

You can schedule an appointment online by clicking this donation link: **LifeShare - Donor Portal.**
