Next week, we will proudly recognize the dedicated men and women of the Caddo Parish Sheriff's Office Communications Division during National Public Safety Telecommunicators Week.

Our communications deputies are the calm voices in moments of crisis—the first point of contact when help is needed most. They work around the clock, answering calls, dispatching deputies, and providing critical support that helps keep our community safe.

Their professionalism, compassion, and quick thinking make a difference every single day, often behind the scenes and without recognition.

Please join us in thanking these incredible individuals for their service, commitment, and unwavering dedication to Caddo Parish.

We appreciate you today and every day!
