On Sunday, deputies from the Caddo Parish Sheriff's Office arrested a juvenile and recovered a stolen vehicle, following an investigation initiated by the agency's Flock camera system, according to Sheriff Henry Whitehorn Sr.

At approximately 4:10 p.m. on May 17, 2026, deputies received an alert from the Flock camera system indicating that a stolen white 2016 Honda CR-V was traveling northbound on Pine Hill Road. Deputies confirmed through NCIC that the vehicle had been reported stolen by the Tallulah Police Department.

Responding to the area, deputies located the vehicle parked at a residence in the 1200 block of Post Oak Place. As they approached the vehicle, several juveniles were seen nearby. One juvenile fled on foot but was apprehended a short distance away without incident.

During the investigation, deputies found the keys to the stolen vehicle in the possession of a 16-year-old juvenile. Further investigation revealed that this juvenile also had an active Order to Take Into Custody for escaping from the Bridge City Center for Youth.

The juvenile was arrested and transported to the Caddo Juvenile Detention Center, where he was booked for Illegal Possession of Stolen Things and for the outstanding Order to Take Into Custody.

The stolen vehicle was recovered and later impounded pending its release to the owner. The other juveniles at the scene were released to family members.

The investigation is ongoing.
