The Caddo Sheriff's Office is partnering with LifeShare Blood Center to host a blood drive on Wednesday, July 1, 2026, as part of the "United WE Give - Red, White, and Blue" event. Mobile donor coaches will be available at 1101 Forum Drive, Shreveport, from 9 a.m. to 11 p.m.

To donate, individuals must be at least 16 years old and present a photo ID. Donors who are 16 years old must also provide signed permission from a parent or guardian.

We aim to have at least 18 heroes donate during this drive.
