****UPDATE****

Both crossings are back open and the track has been repaired

At approximately 6:12 a.m. today, a deputy from the Caddo Parish Sheriff's Office discovered a possible train derailment near the 13700 block of Highway 1 in Oil City, according to Sheriff Henry Whitehorn Sr.

Representatives from CPKC Railroad responded to the scene and confirmed that three train cars had derailed. Officials stated that no hazardous materials were involved in the incident.

As a result of the derailment, a train is currently blocking the Main Street crossing in Oil City. The duration of this blockage is unknown, and motorists are advised to seek alternate routes.

Thankfully, no injuries have been reported due to the derailment.

The cause of the derailment is still under investigation by CPKC Railroad officials.

Additional information will be released as it becomes available.
