The Caddo Parish Sheriff's Office will host a Women's Firearms and Safety Course on Saturday, October 3, 2026. This course is designed to help women build confidence, enhance their personal safety awareness, and learn practical skills in a supportive environment.

The course will take place from 9 a.m. to 5 p.m. at the Caddo Parish Sheriff's Office Regional Training Academy, located at 15639 LA-1, Shreveport, LA 71115. No prior experience is necessary, and lunch will be provided.

Participants will receive instruction in personal safety awareness, self-defense basics, firearms familiarization, and available support resources. The guest speaker will be Leslie Lacy from our own Domestic Violence Unit.

"This course offers women in our community the opportunity to gain practical knowledge and skills that can help them feel more confident and prepared regarding their personal safety," said Sheriff Henry Whitehorn Sr. "Education and hands-on training are essential tools for making informed and responsible decisions about safety."

Space is limited, and participants must register by October 1. To register or for additional information, please call 318-681-0735.
