The Caddo Parish Sheriff's Office will host a three-day Drug Prevention Convention for children and teens at Safety Town in Shreveport. The program will take place Monday through Wednesday, November 23-25, from 8 a.m. to 5 p.m.

The convention is designed to educate young people ages 8-17 about the dangers of drug use while equipping them with the information to make healthy, safe, and informed decisions. Throughout the three-day event, participants will engage in hands-on learning activities, educational discussions, and interactive experiences focused on the consequences of substance abuse.

Parents and guardians can call 318-698-7233 to sign their children up for the three-day program, but advance registration is not required. Lunch will be provided daily.
