The Caddo Parish Sheriff's Office would like to express our gratitude to all the local agencies, organizations, community partners, and professionals who participated in the fourth meeting of the Domestic Violence DICE Initiative Workshop on November 5, 2026.

Under the leadership of Sheriff Henry Whitehorn Sr., bringing our community partners together is crucial for enhancing our coordinated response to domestic violence. Through training, collaboration, and open communication, we can better serve victims, hold offenders accountable, and work toward creating safer communities throughout Caddo Parish.

We appreciate everyone who attended the workshop and contributed their knowledge, experience, and commitment to this vital mission.

No single agency can combat domestic violence alone; together, we are stronger.
