The Caddo Parish Sheriff's Office is advising motorists to avoid Highway 169 at Devers Road due to a major crash involving a semi-truck and a passenger van, according to Sheriff Henry Whitehorn Sr.

Preliminary information indicates that the semi-truck, which was carrying a 31,000-pound air gas cooler, lost control and collided with an oncoming van.

Both lanes of Highway 169 are currently blocked as crews work to clear the roadway. Motorists are being detoured to Interstate 20 through Greenwood or via South Lakeshore Drive to Interstate 220.

Drivers are urged to avoid the area, use alternate routes, and exercise caution when traveling near the crash scene. The Caddo Parish Sheriff's Office will provide additional updates as more information becomes available.
