The Caddo Parish Sheriffâ€™s Office is offering state-required training for anyone wanting to obtain a concealed weapons permit, said Sheriff Steve Prator.

Citizens can complete most of the state requirements in one stop by attending a class at the Sheriffâ€™s Regional Training Academy on May 12. The class begins at 8 a.m. and will last all day. It includes classroom and firing range instruction, and a qualifications course.

The cost to attend the course is $100. Pre-registration is required by calling Deputy Andrea Samuel at 681-0735.
