Caddo Sheriff's detectives arrested a man for exposing himself to a 6-year-old girl.

Charles Edward Hebert, 59, was arrested on Wednesday following an investigation by Detective Robert Greer. Hebert was booked into Caddo Correctional Center for indecent behavior with a juvenile.

The incident occurred at a residence on Pine Orchard where the child was visiting.
The girl later told a family member that Hebert had exposed himself while they were alone together in the living room.
