Woman arrested for cruelty to a juvenile

Caddo sheriff's detectives arrested a Mooringsport woman after a 4-year-old boy in her care was taken to the hospital with a broken arm, said Caddo Sheriff Steve Prator.

The child told investigators that Amber Humphries Clark broke his arm, spanked him, and put soap in his mouth. Clark disputed the charges by the boy.

Clark, 23, was booked into the Caddo Correctional Center after her arrest by Caddo Sheriff's Detective Jackie Winston for second-degree cruelty to a juvenile. Clark's bond was set at $50,000.
