Cashier arrested for stealing from business

A cashier at a local convenience story was arrested Wednesday for stealing from the businessâ€™s register.

WinQuinta Gibson, 24, is accused of taking $2800 from the Get and Geaux at 4461 Pines Road on November 19 and 20. Detectives say she concealed the money in her pants pocket and purse. Before taking the money, she used a broom stick handle to move the security camera so that her register would be out of the cameraâ€™s view; however, a different camera recorded the theft.

Caddo Sheriffâ€™s Detective Yomeka Evans arrested Gibson for felony theft. She is currently in the Shreveport City Jail where she is being held on unrelated charges.
