Electrical work impacts CPSO offices

Thursday, December 8, 2011
Some services at the Caddo Sheriffâ€™s Office will be restricted on Friday because of electrical work being done at the Caddo Parish Courthouse.

The departmentâ€™s computerized records management system will be down from noon Friday until 8 a.m. Monday morning while work is being completed. Offices that will be impacted and unable to accept payments or check reports include Tax, Fines and Bonds, and Records. Additionally, inmates on line and warrants on line at caddosheriff.org will be temporarily unavailable.

Visitation at Caddo Correctional Center will also be affected. There will be no visitation from noon Friday until 1 p.m. on Monday.
