More victims claim they were molested by Vivian couple

A Vivian man and now his wife face more charges for molesting teen-age boys, said Caddo Sheriff Steve Prator.

Patrick Price Williams, 44, and Jacqueline Renea Williams, 47, of 11104 Upper State Line Road, were arrested Thursday on three counts of molestation.

Williams was already in the Caddo Correctional Center on two other counts of molestation of a juvenile following an investigation in July into allegations that he molested two boys in his care. Lt. Sam Hall developed information during that investigation that led to three new victims who said they were molested by both the Williams as many as 16 years ago.

The investigation is continuing. Anyone with information that could assist investigators is urged to contact Lt. Hall at the Caddo Sheriffâ€™s Office at 681-0706.
