

Shreveport teen booked for indecent behavior

Monday, February 4, 2013

Caddo Sheriff's detectives have arrested a Shreveport teen for pornography involving juveniles and indecent behavior with juveniles, said Caddo Sheriff Steve Prator.

Detectives said they warned 17-year-old Jules Sompayrac to stay away from his 13-year-old girlfriend after he was arrested for having consensual sex with her in December. Ten days later, Sompayrac engaged in video sex chats with the girl via Skype and took nude photos of the victim which he then sent back to her on her Ipod.

On Thursday, Sompayrac was arrested by Sheriff's Detective Jared Marshall and booked into the Caddo Correctional Center on the felony charges.
